Children will attend the first 1/2 hour of worship service with families, then go to their classrooms.

For intergenerational services, children and youth are invited to stay for the entire service.

On holiday weekends, there will be no regular RE classes, but children in grades k-6 will meet together in a one-room multi-age group with written lesson plans and organized activities.

During the school year services start at 9 and 11 a.m. and either regular RE classes are offered, or organized childcare.
